

Head Start
of **GREATER DALLAS**
Teaching Children & Building Families

our MISSION

HEAD START OF GREATER DALLAS provides disadvantaged preschool age children with the foundation of skills and knowledge they need to be successful in school and life and fosters self-reliant families and communities. The agency provides comprehensive child development services, including complete medical and dental health care, education, nutritious meals and social services. In addition to these services Head Start also works with parents to ensure they are their child's first teacher.

Head Start of Greater Dallas operates full-day early childhood development centers throughout Dallas County, including partnerships with Dallas ISD, Irving ISD, Lancaster ISD, Child Care Group, Mi Escuelita, and the Vogel Alcove. Head Start of Greater Dallas also has three Early Head Start centers and a Home Base Program for infants, toddlers, and pregnant women. Centers are opened from 7:00 a.m. to 5:30 p.m. Monday through Friday. Children with disabilities are fully integrated into Head Start classrooms and make up 10 percent of enrollment. Today Head Start of Greater Dallas serves more than 4,400 children and their families. Head Start of Greater Dallas has served more than 87,000 children and families to date.

Head Start of Greater Dallas employs more than 700 full-time staff and receives most of its operating funds (\$34.8 million) from the U.S.

Department of Health and Human Services. Federal regulations require Head Start to raise an additional \$8.7 million, or 20 percent, in local community support.

In addition to preparing children for school, the Head Start program gives children a solid foundation for future success in life. Studies show that children who have participated in the Head Start program are more likely to remain in school, avoid teenage pregnancy and involvement in juvenile crime, and find meaningful employment later in life. One dollar invested in Head Start of Greater Dallas generates as much as \$ 17 in benefits to society.

volunteer OPPORTUNITIES

WHO: Anyone 14 years old and up can volunteer at Head Start of Greater Dallas. Everyone can find a place to give back at one of our various centers across Dallas County. Groups, individuals, parents, high school or college students all help make up our more than 8,000 volunteers. Weekend opportunities are available and weekday activities are ongoing.

WHY: Volunteer time is important to Head Start because each hour volunteered counts as \$13.23 towards our nonfederal goal. A group half-day project can raise significant amounts for the organization. An individual who volunteers at the center for two hours each week can raise \$400 for the center in just one semester!

How: Contact Community Development at 972-283-6472 or go online to complete a volunteer application. A mandatory background check

is completed for individuals who volunteer inside the center. A group volunteer project can be arranged by contacting the department and speaking with Deneeco Young about options that would be best for your group. You can even volunteer for community service hours.

RESULTS: Our volunteers not only raise money for our organization, they improve the quality of the centers through painting, organizing and landscaping. Volunteers also expose the children

to different career options when they get involved in the classroom and show them that everyone can give back to their communities.

CALL TO ACTION: Get your company, organization, friends involved by volunteering at a Head Start center in your area. We have locations across Dallas County in need of volunteers.

Visit www.hsgd.org to get started!
