*Dear Ms. Williams & Ms. Warren,*

*We entrusted our baby to your care two years ago. You are giving her back pounds heavier, inches taller, months wiser, more responsible, more confident and more mature than she was then. We have seen her personality unfold day by day.*

*In the narrow confines of a crowded classroom, you have grown close, have become part of each other and you always retain a little of each other. You have lived, loved, laughed, played, studied, learned and enriched your lives together for the last two years.*

*We appreciate the care, the love and the nurture and safe environment you have provided for our Isabella to blossom. Know that whenever you go, whatever you do, a hundred years from now the world may be different because YOU were important in the life of our children.*

*Love,*

*Gonzalez Family*
