

Janitorial Supplies - Chemical and Paper Supplies 2019

Q. If you have a State HUB Certification is that sufficient for this bid?

A. Our Review Committee members will grade your bid package; you may have an additional point.

Q. Because there are so many duplicate items are there any standard items or products between the locations?

A. Each center has their preference, There's no standardization.

Q. What's the overall goal for the IFB? Is it pricing, implementation, how easily they can get the product?

A. For each bid received we will grade on our point scale the completeness of the bid package, pricing, product, and we will call references. These scores are generated by our system and we will make a decision. **(refer to page 24 in the bid package for the grading system)**

Q. What were the expenditures for the last bid?

A. We can't disclose that information.

Q. Are we open to any substitutions?

A. We don't allow substitutions, please submit pricing for what is listed in the bid package so that we may compare apples to apples. Due to substitutions bring price differences at times or quality may be different.

Q. Will the contract be split?

A. No
